

**ARTICLE 8: SALARIES AND BENEFITS**  
**2010-2011 School Year**

**A. Salary Schedules**

1. A new employee hired prior to August 15th, shall have their pay prorated in thirteen (13) equal checks from August through August of their first year of employment. All previous employees shall receive their pay prorated in twelve (12) equal checks from September through August of each year. If employed after the 15th of the month, the teacher will receive the first check at the end of the first full month of work. An employee hired on or after January 1 will not be paid on a prorated basis.
2. All Employees shall receive their monthly checks no later than the 25th of each month. (If the 25th falls on a weekend or holiday, employees shall be paid on the last working day prior to the 25th.) The delivery of the check will either be direct deposit or paper check. It will be the teacher's choice. The June, July and August checks will all be mailed or direct deposited one (1) working day prior to the 25th of June each year. The career ladder pay will be received with the paychecks in the months of November and May.
3. The contract year for professional employees shall be as follows:
  - 10 months - 200 days
  - 11 months - 220 days (two weeks before school calendar starts and two weeks at the end of the school calendar. The Superintendent may allow employee to substitute days within the two weeks before and/or the two weeks at the end of the school calendar if in the opinion of the Superintendent it would enhance the academic program)
  - 12 months - full year of twelve calendar months  
(calculations will be made based on 240 days)
4. The salary figures specified with Schedule A and B are base pay from which all percentage-type additional pay is to be calculated. (Example: A person working 10 and 1/2 months would receive 5% of his base pay from the proper schedule prior to any other supplement or additional pay being added. A person working eleven months would receive 10% of his base pay from the proper schedule prior to any other supplement or additional pay being added. A twelve month employee would in like manner have 20% added to his base.)
5. Only training acceptable for certification and shown on the certificate will be used in calculating salaries.

6. Pursuant to *TCA* 49-5-402, teachers graduating by December 31 and receiving their license by February 15 showing their advanced degree will receive the salary adjustment for the second half of the school year provided they have notified the Superintendent by March 1 that they will be graduating in December. Teachers graduating by August 31 of each year and receiving their license by December 1 showing their advanced degree will receive the salary adjustment for the entire year. They should notify the Superintendent by March 1 that they will be graduating by August.
7. System-wide employees shall be defined as those professional employees meeting the state guidelines for system-wide employees and shall be placed on Schedule B.
8. Career Ladder II and III shall receive pay in the monthly check following completion of work if direction by the Superintendent to pay is given in time to prepare the monthly payroll check.
9. All state monies for salaries will be automatically added to the appropriate salary schedules. When the State adopts and makes said state schedules available, all employees will be placed on the appropriate schedule step at the next payroll period.
10. Vocational professional employees who are hired by the Board to work on a calendar month year rather than a school calendar month year shall be paid as follows:
  - (a) Eleven (11) calendar month program -- Ten (10) percent of the total salary schedule whether it be Schedule A or B.
11. The salary of each employee covered by the regular salary schedule is set forth in Appendix A and Appendix B which is attached hereto and made a part of this Agreement.
12. Any state salary increases shall be automatically added to the salary schedule upon negotiation.

## **B. Vacation for Extended Employment**

1. Twelve month employees shall receive two (2) additional days of vacation beyond those specified by the Board in the school calendar as paid holidays. Eleven month employees shall receive one (1) additional day of vacation beyond those specified by the Board in the school calendar as paid. Twelve and eleven month employees shall have the option as to when the additional time off is taken, subject only to the Superintendent's approval.
2. Twelve and eleven month employees shall be allowed to accumulate up to twice as many vacation days as can be earned per year.

**C. Funding of Special Programs**

Federal and/or state special (indicating beyond the state foundation program) funded programs and/or grants shall provide the salary for these positions; however, should the funding decrease whereas these positions cannot be supported and if the Board determines local funding is available to assign the professional employee(s) holding this position to a locally funded position for which he/she is certified, the professional employee(s) holding this position, upon being assigned a position for which he/she is certified, shall be placed upon an appropriate existing schedule.

**D. Salary Schedule A and B**

The Board shall not offer supplements or extend benefits beyond those specified in this article unless agreed upon by both parties.
